Learning ChatGPT

Second meeting

- Room 113, 10:30pm-12:15pm, June 20, 2023
- Each group shared what they learned so far. It was really interesting to know so many aspects regarding the use of ChatGPT and other generative AI. We could see the potentials and risks of ChatGPT and other related technology. Finally, we agreed to continue this kind of learning seminars. The next may be in October.
- Presentation documents: General Use, Specific Use:
  Matlab by Chris
