# Individual discussion with Prof. Zhao in 2025

Regular individual discussions take places **once two weeks for each student**. Irregular discussions may be possible based on adjustment of the schedule. Contact me if you need a discussion in a time slot not listed in the following table.

After you book a time slot (only available for lab members), don't forget to send me an email to let me know. Wiki does not automatically alert me about the change.

Send me the slides, a summary, etc, **one day before the discussion** so that I may find time to prepare for the discussion before. Also, after the discussion, send me a **memo of the discussion**.
