

# Group Meetings in 2022

Be on time.

## Paper and Presentation files

Use "Media Manager" to upload your files to your namespace (Media Manager → user → yourname)

- Prepare a paper (pdf and/or tex/word source) and a slide file (pdf or powerpoint) one day before your presentation and upload them to your namespace and put links in this page.
- Remember: **One research, one paper, one slide file** during your stay here
- **Paper** can be incomplete but shall be prepared carefully. If there are multiple files (e.g., data files), use a zip.
- **Presentation**: If you modified the slides after uploading, re-upload it.
