

# Group Meetings in 2023

**Be on time.**

## Paper and Presentation files

Use "Media Manager" to upload your files to your namespace (Media Manager → user → yourname)

- Prepare a paper (pdf and/or tex/word source) and a slide file (pdf or powerpoint) one day before your presentation and upload them to your namespace and put links in this page.
- Remember: **One research, one paper, one slide file** during your stay here
- **Paper** can be incomplete but shall be prepared carefully. If there are multiple files (e.g., data files), use a zip.
- **Presentation**: If you modified the slides after uploading, re-upload it.
- Filename: date-content.ext (e.g., 20210522-slides.pdf)

## Schedule

### second semester (Oct to March)

The number of group meetings is reduced to twice a month and eight times a semester such that each student can have twice presentations. Joining some meetings of other groups is encouraged to improve member's ability in presenting in public and asking questions under a multidisciplinary environment.

- Place: 121/122 実習室 **except for Jan 19th**
- Time: 1:30pm - 3pm, Friday (see the next table for the dates)

| Date                                 | Presenter(s)                                | Participants                              | Slide file(s) | Source file(s) | remark                      |
|--------------------------------------|---------------------------------------------|-------------------------------------------|---------------|----------------|-----------------------------|
| Oct 13                               | Wenruo, Zhenyu                              | Wenruo, Li-Yang, Zhenyu, Rojan            |               |                |                             |
| Oct 27                               | Mizuguchi, Li-Yang                          | Rimsa, Rojan                              |               |                |                             |
| Nov 10                               | Botong Gao, Rojan (including Tencon report) | Wenruo, Li-Yang, Rimsa, Mizuguchi, Yining |               |                |                             |
| Nov 17                               | Rimsa (including R10 HTC report), Haiyan    |                                           |               |                |                             |
| *Nov 29 (9am-10:30am, Wed, Room 201) | Wenruo & Wenlong                            |                                           |               |                | GSAIS Research Meeting. TBD |
| Dec 8                                | Wenruo (including CNA report), Wenlong      |                                           |               |                |                             |
| Dec 22                               | Rimsa, Li-Yang                              |                                           |               |                |                             |
| Jan 5                                | Zhenyu, Rojan                               |                                           |               |                |                             |
| Jan 19 <b>at Tachibana Kaikan</b>    | Mizuguchi, Haiyan                           |                                           |               |                | No room @ Higashiichijo-Kan |

## first semester

- Place: Room 121/122 except for April 28 which will be Room 025.
- Time: 1:30 pm-4:30 pm, Friday (please come 5 minutes before the start time)
- April 14, 21, 28
- May 12, 19, 26
- June 9, 16, 23
- July 7, 14, 21

| Date     | Presenter(s)               | Participants                                                  | Slide file(s)                                                  | Source file(s) | remark |
|----------|----------------------------|---------------------------------------------------------------|----------------------------------------------------------------|----------------|--------|
| April 14 | Zuo Zhenyu                 | Wenruo, Wenlong, Mizuguchi, Rojan, Rimsa                      | <a href="#">long-range-information.pdf</a>                     |                |        |
