

Mini test — #9 (Prof. Z)

Student no. \_\_\_\_\_ Name \_\_\_\_\_ Score \_\_\_\_\_/7

1. Translate the next Morse code ("/" is the separator between words):

.. ..- / -.- - - ..- / -.-. .- -. / -... .-. . .- -- / .. -

Message in English: \_\_\_\_\_

2. Translate the next message into Morse code (use "/" to separate two words):

YOU CAN DO IT

Morse code: \_\_\_\_\_

\_\_\_\_\_

3. Share a quote you like in Morse code:

(Optional, no bonus point) Try to consider the following issue:

- What would be an *efficient* coding system (e.g., is it better to exchange the codes for letters 'a' and 't' in Morse code?)
